The Senior Surgeon does not say what pay should be given to the additional compounders, what the total cost of the scheme would be and how the cost should be met.

25/9/01.

I think the Senior Surgeon may be asked to state in what way he can effect savings & to meet this cost

The Hospl Asstts of last grade get only 25 Rs. I wonder if it will be considered revolutionary & infra dig if they are asked to Compound their prescriptions themselves in small dispensaries.

No 1790

Dated 16th September 1901

Sir,

I have the honor to forward for favourab consideration of Government the accompanying copy of letter No.260 dated 13th August 1901 received from the Assistant Surgeon Hassan District and to recommend that Government will be pleased to accord sanction for the employment of an extra Compounder in each District Head Quarter Hospital as relieving Compounders same as relieving Midwives sanctioned in G.O. No. 8274-83/L.F. 55-93 dated 21st January 96 for reasons given by the Assistant Surgeon with which I quite agree.

I find it inconvenient to relieve Compounders in different Local Fund Dispensaries when they apply for long leave either on the score of ill health or private affairs for want of relieving hands, the result is that they either quietly resign or absent themselves by obtaining short leave of absence thereby inconveniencing the Dispensary work.

General No: 260.

Sir,

I have the honor to bring to your kind notice that Compounders in the malnad Dispensaries are frequently falling ill, in consequence the work suffers a good deal as the Hospital Assistants, and the Sub Assistant Surgeon of Saklespur, are frequently called out to the estates, these officers find difficult to manage

the work and particularly in getting medicines from the Dispensaries when they are detained in the estates. It is not possible to transfer Compounders from place to place to relieve the sick ones for a short period.

I beg to suggest that an extra Compounder may be sanctioned to be located in Head Quarters to remedy this evil and also to help the Compounder at Head Quarters who is overworked on account of the larger attendance and absence of any chemists' shop, which necessitates every urgent prescription to be made up at the Hospital at all hours both day and night

No 12236

Dated 7th October 1901

Sir,

With reference to your docket No. 5720/Mis 949 dated 2nd Instant, I have the honor to state in reply that there are 8 Districts and Government is requested to sanction the entertainment of an extra compounder for each of them. These Compounders would be entertained on the usual terms as per G.O. No.13250-1/Mis 1963 dated 6th June 1896 viz. Rs. 8/- rising to 15/ by periodical increments. The cost for the current year may be met from the general savings and due provision will be made in the ensuing years' Medical Budget.

Read:- Correspondence ending with letter No 2236 dated the 7th Oct 1901, from the Senior Surgeon and Sanitary Commr with the Govt of Mysore, relating to the entertainment of an ~~extra~~ Compounder for each of the 8 Districts in the State, with the view of relieving such Compounders as may be absent through sickness or other causes.

Orders on 7840 in 1739 of 21-11-07

The acceptance of the Senior ~~It is observed that the~~ Surgeons proposal would have ~~practically~~ the effect that for ~~the Surgeon mentioned in the above~~ ~~is going a little too far,~~ ~~and that at this date~~ every Grade of Officers in the ~~Province~~ State would require a relieving Officer to be held in reserve ~~But as~~ As it is ~~only~~ in particular localities only that such a requisition would arise, Govt are of opinion that the Senior Surgeon ought to be able to make necessary arrangts by

keys & transferring Compounders
temporarily from Dispensaries
where the Hospital Apptts
are not generally called
